CREDIT UNION

First Class Financial Services.
We Know Fort Worth.

Dear valued member,

Due to the continuing concerns and limitation guidance from our national, state, local government officials concerning the coronavirus or CORVID-19 we will be postponing our Annual Meeting that was scheduled for Thursday, March 19, 2020.

As you are aware, right now the guidance limits on gatherings of individuals is 10. Further, we do not want to put any of our membership for being exposed to a virus that someone else in attendance may have been exposed to and pass the virus on to others not knowing they are vulnerable to the virus.

At this time we do not have a confirmed date for rescheduling as we must wait until the restrictions for gatherings/meetings are lifted. The limits of "self distancing" for gatherings/restaurants are changing each day so it is difficult to chose another date. Once the self distancing mandates or meetings are relaxed we will reschedule the date and notify each of you.

If you have any questions, need assistance with your account please contact your credit union at 817-834-9777.

Thank you for understanding.
